Ledbury LEAF – support for well-being

LEAF, the charity run by the churches working together in Ledbury, is supporting numerous members of their

community through their activities and volunteers.

The LEAF chaplaincy service has become an integral part of the doctor's surgery in the town, with some of these referrals going on to receive counselling from one of the LEAF counsellors.

LEAF held two highly successful family events in the local park over the summer, with over 150 burgers served free to the many who attended. They also support children in the community through weekly mentoring of children in the Ledbury Primary School, which will be starting again this month.

If you want to know more about these and other projects run by LEAF in Ledbury, particularly if you are thinking about volunteering with them, please email: leafledbury@gmail.com

Use this email address too, if you want to be on their mailing list for regular newsletters.

If you know any men who may benefit, ask them to get in touch at HMMHgroup1@gmail.com or text the group co-ordinator on 07376 727280. Visit the [website](#) to find out more.
